Kann's—Lace and Embroidery Store—Street Floor.**HIGH-GRADE Canton Crepe Dresses With Deep Fringe Trimming**

—This is a combination that seems to have received the very highest commendation of the arbiters of Fashion.

—The material is a beautiful, heavy quality and excellent wearing Canton crepe.

—The styles incline to the straight-line effects, with panel back and front, and at the side, between the panels, are many rows of heavy silk fringe, forming a perfect fringe cascade. Other styles are made with tunic skirt, which is edged with fringe.

—The colors are the new soft grays, brown, navy, black and white; just the shades in which this material and trimming appear to best advantage. There are sizes for misses of 14 to 20 years, and for women of 36 to 46-inch bust.
